WHITEFIELD

...easy living

Where the good old days shake hands with the new

There is a time and a place for the old and the new to meet halfway and enter into a “gentlemen’s agreement” not to interfere in each other’s lives.

The time is now.

The place is Prestige Silver Oak. Where Bangalore’s generation gap is bridged forever.

Not far from ITPB, one of the most recognized icons of Bangalore’s silicon city label, if you strike out into the hinterland off Whitefield Road, you will come upon a quiet residential enclave whose sylvan tranquility is almost amazing.

Here in an elegantly designed villa, ensconced in its own private garden, you can come home to the quiet life. The way it used to be in the good old days. Leisurely, relaxed and in no hurry to reach anywhere.

What’s more, Prestige Silver Oak’s 148 villas come in 8 different designs. You can choose the one that suits you best to make sure that your home is indeed your kingdom.

Alternatively, if you prefer the sociability of an apartment to the privacy of a villa, you have just 32 of them on offer. Spread across four floors and rubbing shoulders with the trees, as it used to be in Bangalore’s pre silicon city days.

Naturally, at Prestige Silver Oak, you are served by all the good things of life, like a swimming pool, a fully equipped clubhouse and more.

So if you are a person whose zest for the fast life is balanced by a partiality for old world charm, Prestige Silver Oak is the address you ought to make your own.
